

Student Satisfaction Survey (SSS)

Student Satisfaction Survey (SSS) is carried out orally by the faculties. However due to pandemic the feedback from students was orally obtained during online lectures by various teachers. The outcome of the survey reveals that the students are extremely satisfied with the performance of the institution. Nevertheless some students from rural area were not able to join online lectures and survey due to connectivity and network issues in their areas. The college is equipped with all the necessary infrastructural facilities like playground, parking lot, health care centre, conference room, central hall, prayer assembly hall, three air-conditioned computer labs with internet facility, Language Lab, ICT enabled classrooms, computerised Library and office and so on. Moreover the college is having Grievance Redressal Cell and Anti-ragging Cell to address any kind of student related issues. Regular counselling of students is also carried out by faculties. All the students get appropriate guidance and training pertaining to career and benefit from the placement programs. The management is also found to be very keen to assist students as well as employees of the college as and when possible. The survey revealed that the students are very satisfied with the infrastructure facilities as well as performance of the institution on the basis of teaching learning process, teachers and office staff.
