Part A: The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year:

In accordance with the directives of National Assessment and Accreditation Council (NAAC), the Internal Quality Assurance Cell (IQAC) of Dr. Virambhai R. Godhaniya College of Arts, Commerce, Home-Science and Information Technology for Girls endeavored to examine the progress of all the undertakings of the Institute, in an effort to guarantee the accountability regarding its own quality and integrity to all its stakeholders (students, parents, teachers, staff, prospective employers, funding agencies and the community at large). The IQAC has also attempted to streamline procedures in order to ensure the following: timely, efficient and effective performance of academic, administrative and financial undertakings; application and quality of academic programmes; enhancing the quality of human resources by integrating values orientation with modern methods of teaching and credibility of evaluation procedures.

Plan of action for the year 2011-12:

- Submission of Annual Quality Assurance Report (AQAR) of the year 2011-12 to NAAC
- Proposal for Re-accreditation to NAAC
- Up-gradation of Teaching Methodology and Effective Implementation of CBCS
- Workshops on Character building through Student Development Programmes
- Faculty Development Programme
- Preparation of Question-Banks
- Incorporating/Adapting the Saptadhara/BIZAG framework of the Commissioner of Higher Education to local needs

The targets for achieving the goals are in tune with the objectives and strategies planned:

- The methodology which imparts this Integral Education, is a blend of the best of modern practices as well as the virtues of our ancient *gurukula* system. Thus, education is not regarded as a mere classroom affair but a serious 24/7 job. In other words, the student is molded not only in the classroom but also away in the Hostel, the playground, and the Morning Assembly as well.
- In the classroom, along with the academic aspects, the student is also exposed to the moral and ethical dimensions of the subject concerned. For example, if it is Commerce, then the students are given a good grounding in management ethics. If it is Home-Science, then the potential advantages of Home-science are discussed; and so on. In the Hostel, students lead a frugal life with minimal comforts. Several students share a room, and by design, students with diverse backgrounds are brought together to live under a common roof. This teaches the students to adjust, to co-operate, and to respect fellow human beings. In fact, the students themselves manage several activities like the sick room, equipment maintenance, etc. They also

take turns in serving food in the Dining Hall. All these promote a great deal of self-reliance and simple living.

- The Model of Education at the <u>Dr. Virambhai R. Godhaniya College of Arts, Commerce, Home-Science and Information Technology for Girls</u> is represented as a "Temple of Learning". A marble statue of Goddess <u>Saraswati</u> has been installed at the main entrance of the College Building symbolizing the very purpose education of the institute *Saraswati aradhana*.
- The Institute houses faculty with "competence and commitment"; virtues that are
 equally important in a faculty member. Absence of either renders the teaching
 process ineffective. This combination is very critical for developing intellectually
 sound students who are not only well-versed in theory but are also adept at
 understanding the practical implications and ramifications of translating the theory
 into practice in varied contexts.
- Co-curricular activities Co-curricular activities take place in and out of the classroom. Activities such as elocution, dramatics, music, debates, sports and games, social service activities such as rural development initiatives, self-reliance activities in the Hostel, etc. play a major role in shaping and grooming students' talents and skills. In particular, the self-reliance departments in the hostel enable students to develop the spirit of team work and nurture leadership qualities. Most of the lessons in values and morals are imbibed through these co-curricular modules.

Outcome by the end of the year as enlisted by the IQAC:

- Admissions: Admissions were done from 28th May to 13th May 2011 as per schedule at Godhaniya Campus for all programmes of study viz., Undergraduate and Postgraduate. 1818 candidates were selected for various courses in B.A., B.Sc.(Home Science), B.Com, M.A.(English). The academic year commenced on 20th June, 2011.
- Workshops, Seminars, Conferences etc.: Dr. Virambhai R. Godhaniya College of Arts, Commerce, Home-Science and Information Technology for Girls conducted a Students' (19/12/2011 to 21/12/2011) and Faculty Development Programme (25/03/2012 to 28/12/2012) respectively.
- Department of Economics conducted a one-day M.S.M.E., Rajkot workshop on 24/01/2012.
- Department of Hindi celebrated "Hindi Divas" on 14th August 2011 at Godhaniya Campus.
- Department of Commerce (CM) collaborated with Chamber of Commerce for various competitions.
- Two of our teaching staff members Dr. Sulabha R. Devpurkar and Dr. Geeta Unadkat successfully completed and submitted their Minor Research Projects to UGC.
- Two Career Oriented Programmes of Translation Proficiency and Food and Nutrition were approved by UGC this year. Over 1700000/- were sanctioned for the same.

Hon'ble Dr. Virambhai R. Godhaniya, President of the Shri Maldevji Odedra Smarak Trust and Shri Arjunbhai Modhwadiya, Managing Trustee, Shri Maldevji Odedra Smarak Trust, graced the 24th Annual Day programme which was held on 15th January, 2011 as the Chief Guest and Guest of Honour respectively. During the Prize-Distribution programme 494 students of the College graduated from Saurashtra University and 03 students were given gold medals for distinction in various disciplines. Six PhDs were awarded.

Part B:

- 1. Activities reflecting the goals and objectives of the institution: The details regarding the achievements of the Institute over the years are given as under:
- a) To transcend narrow considerations of caste, creed, race or religion and focus on the total self-development of the student:

Achievement: Dr. Virambhai R. Godhaniya College of Arts, Commerce, Home-Science and Information Technology for Girls, for over two and a half decades, has facilitated the Government's policy of proving FREE EDUCATION to girls, in all the courses adopting the Government Policy for the SC/ST/OBC students for admission. The Institute has made all efforts to reach different segments of the Society. The fact that it was established in the rural setting of Porbandar which is one of the most backward areas of the State has given an important and additional dimension to its responsibilities. Students who are economically weak are given special scholarships and special efforts are made by the faculty members to motivate them to excel. An amount of Rs. **1440770** was paid to the reserved category students (750) this year.

b) To raise the educational standards of women in and around Porbandar and thereby contribute to National development and to bring about awareness about protecting our immediate environment in our everyday habits and practices.

Achievement: Students and teachers are constantly directed to shed narrow and parochial loyalties and prepare themselves to serve the society and the world. Through the social work and extension programme, students learn to help the poor and the unfortunate. They are made sensitive to and aware of the problems of the people living around them in society. Community service programmes like NSS and the Community Service Society provides the students with an opportunity to get familiarized about the lives of people in general and poor people in particular living in rural areas in and around Porbandar district. In addition they are given an opportunity to listen to experts in various disciplines in workshops and seminars. The Institute also arranges a six month course in environmental studies for the first year students and this has been the practice since the last last six years. Thus the students are sensitized to the issues and concerns of rural development. They are encouraged to ponder in depth on the related issues and advised to avail themselves of opportunities to participate in rural development activities. These are regular course inputs on rural development in the Economics, Sociology and Commerce programmes. Several field projects are undertaken with focus on rural problems.

c) To provide quality teaching and learning resources and to utilize audio-visual aids in making our teaching methodologies more effective and learner-centered:

Achievement: Departments have been given full freedom and are encouraged to be proactive and innovative in improving upon existing curricula, introducing new courses and methods of teaching. Regular review and up-gradation are a continuing process and are actively adopted by the different Departments of the Institute. Every year members of the Boards of Studies of all disciplines meet and discuss the curriculum upgradation and place it before the Academic Council of Saurashtra University for its approval. The Management has installed multimedia facility in almost every classroom and as a practice year-end reviews by way of power-point presentations are taken from every department to justify their performance.

The above goals and achievements are reflected in the entire curriculum at all levels of study from undergraduate to Ph.D. programmes. Attempts have been made to examine how moral and ethical issues may be incorporated into the teaching programme in an integral way. Each discipline has seriously deliberated on this subject and come out with concrete results.

2. New academic programmes initiated (UG and PG):

Since major restructuring and revision of course, in all disciplines were undertaken in 2010 by Saurashtra University, no significant changes were proposed this year. It turned out to be a year of careful fine-tuning and adopting the new courses so as to ensure consolidation.

A new programme – **B.Com. (English Medium)** was introduced during the year 2011-12.

3. Innovations in curricular design and transaction:

The Academic Council, Saurashtra University, Rajkot, met on 14.11.2011 and reviewed the curricula endorsed by the respective Boards of Studies and approved the modified version that was prepared after factoring in the suggestions of members of the academic council. The Syndicate endorsed the same on 21.11.2011.

4. Inter-disciplinary programmes started:

A first step towards interdisciplinary programmes was taken in the year 2007-08 by proposing courses that can be taken by students across disciplines. Courses which are interdepartmental / interdisciplinary are furnished below:

- 1) Basic Computers
- 2) Environmental Studies
- 3) SCOPE

4) Personality Development and Positive Thinking

5. Examination reforms implemented:

This is one of the very few affiliated Colleges of Saurashtra University, Rajkot which have already in place a healthy education and evaluation process featuring semester system, continuous internal evaluation and a high degree of transparency.

6. Candidates qualified: NET/SLET/GATE etc.:

No student qualified for NET/SLET/GATE this year, but sincere efforts are being made in this direction.

7. Initiative towards faculty development programme:

The Faculty Development Programme (FDP) which was introduced from June 2007-08 would provide required inputs to faculty members in terms of research. The topic of the FDP was *Recent Trends and Challenges in Education*. The following are the particulars of the guest faculties:

<u>Sr</u>	Name of Speaker	<u>Designation</u>	<u>Date</u>

		Enterprises (M.S.M.E), Rajkot	

The Institute also conducted a **Student Development Workshop** for mentors of the three faculties during 19th and 21st December, 2011.

9. Research projects a) Newly implemented & b) Completed:

No new projects have been implemented or conducted this year. However, the Knowledge Consortium of Gujarat, Gandhinagar (Gujarat) had organized a three-day Orientation Workshop on 'How to prepare a Research Proposal?' All the 20 teaching staff-members of the College actively participated in the Workshop held from 14th to 16th February, 2012.

10. Patents generated, if any: N.A.

Information Technology, connectivity with other centers of learning has vastly improved over the last few years. In addition, the following steps taken by the Institute have strengthened collaborative research and teaching:

- (a) Increased number of academics from reputed institutions in India, who visit the Institute for varying periods of time and participate in its teaching as well as research programmes.
- (b) Student and Faculty Development Programmes organized by the Institute on a regular basis.
- 12. Research grants received from various agencies:

No grants have been received from any agency this year.

The teaching & non-teaching Staff ratio is 11:8. We have a teaching staff of 23 (21 Full-time & 2 Part-time) teachers as against 15 members of non-teaching staff.

21. Improvements in the library services:

The following improvements were made in the Library this year:

- 20 Wall-to-wall cupboards have been fixed in the Library
- 03 Computer Systems have been added to provide OPAC facility (Soul Software)
- Over 500 students utilized the Internet Services in the Library
- 196 reserved-category students were the beneficiaries of the Book-Bank Scheme
- All the Teaching/Administrative Staff and Students were provided Library Cards with Bar-code facility.
- 195 working Days were listed in the Library Services.
- 12078 visitors (as per register) visited the Library.
- 9178 Books that were issued and returned this year.
- 60 magazines and 08 newspapers are regularly subscribed in the Library

In addition, the Library Committee executed the following activities this year:

SL. NO.	NAME OF THE ACTIVITY	DATE
1.	Competitive Exams Book Exhibition	18.06.2011

6.	Visit to Kalyan Hall to view Book Exhibition	20.12.2011

- 22. New books/journals subscribed and their cost:
 - 554 books worth Rs. 34018/- were added to the Book-Bank scheme
 - 1622 Reference Books worth Rs. 84778/- were added to the Library.
- 23. Courses in which student assessment of teachers is introduced and the action taken on student feedback:

Student feedback for teachers, in all the courses, is taken in a very healthy atmosphere and follow-up action is taken up by the management. Student feed-back forms are specially prepared to suit local needs. The feed-back forms were given for every teacher and the percentage of each answer was calculated. These feedback forms are designed according to the guidelines of NAAC.

• An Interface Panel was purchased by the College this year.

28. Computer and internet access and training to teachers and students:

- Assistance and Training is provided on need basis by the IT faculty to teachers and as regards students 206 students were the beneficiaries of the Basic Computer Programme and more than 500 students utilized the Internet Services in the Library.
- As the term comes to a close, every Department Head and Coordinator makes a power-point presentation that carries the details of the activities undertaken round the year.
- As such, most of the teachers are comfortable using multimedia in the classroom.

29. Financial aid to students:

The following table provides the details of the financial aid to students:

SL.NO.	PAID SCHOLARSHIP	RS	SL. NO.	RECEIVED	RS

30. Support from the Alumni Association and its Activities:

It has remained our endeavour to bring about awareness among the parents of the students. Hence, we have been organizing teacher-alumni-parent-present students meet every year. However, the question that is often posed is to evaluate the extent to which the students of Institute internalize the values they have been exposed to during their study at the Institute and display the same later in the outside environment. The best and most eloquent answer has been provided by a large number of our ex-students, who in their own and diverse ways, generously give their time and resources for the cause of their less fortunate fellow beings. In our College too we have been making efforts to bring together such ex-students who have been rendering social service and thereby contributing silently in the development of the region.

31. Support from the Parent-Teacher Association and its Activities:

The following are the details of the Parent-Teacher Association meetings held this year:

SL. NO.	NAME OF THE DEPARTMENT	DATE
1.	Home-Science	21.12.2011
2.	Commerce	24.12.2011
3.	English	28.12.2011
4.	Hindi	31.12.2011
5.	Gujarati	04.01.2012
6.	Sanskrit	07.01.2012
7.	Sociology	11.01.2012
8.	Economics	18.01.2012
9.	Psychology	21.01.2012

The activities have primarily been restricted to updating the parents on the development and activities of the institute.

We are providing free medical consultation and medicinal facilities to all our college students and hostel residents. We are extending this service in the same way to required staff members too. We handle an OPD of approx. 250 patients per month and we also provide minor emergency care management to the required patients in our OPD set up in regular course. In addition to the clinical management of the patients, we are also managing dressing in the required injury cases of cuts, tares and wounds etc. Medical emergencies are attended very promptly and thoroughly during examination period as well as in routine college hours. If required, they are shifted and referred to the nearest place for specialist opinion and further needful procedure at the earliest.

We create a "Health Card" for each student which include personal details along with blood group as well as drug sensitivity – if any.

Value Added Health Education Services:

We educate our school students from 5th to 12th and college students with various subjective topics covered during one to one or mass counseling as well as in lectures focused on Personal health, Counseling on habits which invite many hidden problems or diseases, Personal hygiene, General medi-care based on various type of diseases, prevention of various diseases, various epidemics and its control measures, Food & Nutrition along with dietary advises, Hair care and nutritional management to enrich the roots, Emergency management in critical conditions, First aid treatment management, Stress management specially on study base and exam phobia etc.

We organize camps on First aid training in students, blood grouping, education on Thalesemia, AIDS, Malaria, Gyneac related disorders etc., through our strong counseling pattern.

Preventive Health Care - Our Prime Motto:

We have a systematic approach to mold healthy future of our students with our visionary angle. We have regular in-house course framed on YOGA with the title of "Awareness in Yoga and Health Education". We also educate the techniques of

breathing, asanaa's, and stress management through the said format in a mass which is a very successful and unique exercise for all. We not only restrict ourselves to handle our students with care along with such in-house programs and activities but also, we have successfully extended our wings of YOGA by educating females of Porbandar to meet our aforesaid prime motto..

The following are the details of the number of students treated in the College Health Center in 2010-11:

S.N.	Month	Total treated
		Patients
1	Mar-11	90
2	Apr-11	75
3	May-11	VACATIONS
4	Jun-11	80
5	Jul-11	456

37. Placement services provided to students:

The Gujarat Government's **UDISHA** initiative has prepared a software wherein students' particulars are uploaded along with her/his job-preference.

The College has a fully functional CCPC centre with a full time officer who provides career related information and guidance to the students. Over 50 students have found placement through the centre so far.

38. Development programmes for non-teaching staff:

All the non-teaching staff members were trained for the CBCS examination System. (For e.g., how to prepare internal mark sheet, how to upload internal marks, how to fill online examination forms etc.)

Office of the administrative staff is fully computerized and linked with internet access.

- Under the Saptadhara initiative of Swarnim Gujarat, every-day for an hour the students are trained as per their choice in various skills ranging from dramatics, speaking, reading, listening & writing skills, community service, fine arts, creative writing, music and sports. Thus, the students are provided with a very good platform for their multifaceted development. The institute thus tried its best for the all-round development of students, which is one of the major goals of the institute.
- A healthy practice is understood as a technique or methodology that, through experience and research, has proven to reliably lead to a desired result. It is a process, activity, incentive, or reward that is believed to be more effective at delivering a particular outcome than any other technique, method, process, etc. when applied to a particular condition or circumstance. A given best practice is only applicable to particular condition or circumstance and may have to be modified or adapted for similar circumstances. In this backdrop the following healthy practices that have been in existence in this Institute have got to be appreciated bearing in mind the unique leadership, philosophy, and ambience that are so special to this Institute:

a. Best Practices in Curricular Aspects:

- The Institute possesses dynamic organizational culture, systems and practices
 which lends scope for continuous ascertainment of 360 degree feedback
 from all stakeholders for up-gradation of curriculum and syllabus in a
 systematic way in accordance with the changing needs of the different
 stakeholders of education.
- The Inter-disciplinary programme of Basic Computers and other courses introduced provide a suitable example allowing the required flexibility among the various disciplines.

b. Best Practices in Teaching-Learning and Evaluation:

- The Institute starts functioning from Day 1 without losing even a single day on account of administrative issues and causes. Successful implementation of Semester system with maximum contact hours of teaching and examinations on fixed time-schedules without any postponement or preponement of examination schedules.
- Engaging all available sessions by the faculty and attendance of all the students (barring those who are sick or indisposed) sincerely and in a dedicated manner without any disciplinary violations and participating proactively in the proceedings of the class.
- Visiting professors/guest-faculty providing valued inputs in different courses.

☆

☆

- Adoption of the latest teaching aids: LCD projectors for power-point presentations, computers, videoconferencing, and internet in regular classes in the teaching of various courses.
- Utilizing the orientation programme conducted for new students to identify their tastes and preferences, strengths and weaknesses, and efficiencies in order to provide remedial measures to make-up the gaps identified and also utilize the strengths in an appropriate manner.
- Streamlined continuous internal evaluation comprising assignments, MCQ tests, seminar write-up and oral presentations, which not only helps students to prepare incrementally for the end-semester examination but also faculty to assess how much their students have assimilated the inputs which they have provided in their respective courses.

c. Best Practices in Research, Consultancy and Extension:

☆

- Research carried out by the various departments in the areas of concern is of local relevance which serves the interests of the local community and benefits the surrounding areas. The Institute has established a <u>Research</u> <u>Centre</u> that aims at instilling the concept of research at the under-graduate level itself.
- Sustained research activity through the Research Journal "Khoj" has enabled faculty and research scholars to publish their research papers, thus taking care of dissemination of knowledge.

d. Best Practices in the Development of Infrastructure and Learning Resources:

- Just as mother earth has enough resources to satisfy the basic needs of all beings in the creation but not the greed of even one human being - likewise the Institute also has sufficient resources to satisfy the legitimate needs of faculty, support staff and students.
- Infrastructural facilities are revered as aids of the system by everybody in the Institute and are used very judiciously with great care and devotion.
- Teaching aids do facilitate effective teaching as well as learning, and all the
 required facilities like LCD projectors, Computers etc., are available, but most
 important thing is, it is borne in mind that they are not substitutes for
 committed teachers but only aids that help effective teachers and sincere
 students in effective teaching and learning.
- The Institute has prepared an <u>Indoor Theatre</u> to give the students an appropriate forum to display their talents.
- Library is one of the finely equipped libraries comparable to the best in and around Porbandar. Wall-to-wall cupboards have been prepared to judiciously utilize the available space in the Library.

☆ ☆

☆

- The Institute provides good quality education to the students without any discrimination in any form. Be it academic inputs in the curriculum, or stay in the hostel, or the playground. Everywhere good facilities are provided to ensure that learning takes place in the best possible environment.
- Counseling also takes place in the mentoring sessions besides group counseling in the <u>Student Development Programme</u>.
- It should be mentioned that on an average 90% of the students who take the final examinations clear the examination successfully, many of them securing high percentages.
- Alumni Associations of women students of the Institute play a very important role. Sincere efforts are being made to bring together the alumni and involve them in the growth and development of the Institute.
- The Placement Centre and the Health centre are two unique features established by the Trust to support the students. Thousands of students have been the beneficiaries so far.

f. Best Practices in Governance and Leadership:

• It is very special to have somebody of the stature of Dr. Virambhai R. Godhaniya and Shri Arjunbhai Modhwadiya as the President and Managing Trustee respectively of the Shri Maldevji Odedra Smarak Trust. Their very presence makes a great deal of difference. As such students, teachers and administrative staff etc. all who are familiar with their singular Vision and Mission of educational development of this region know that it is their commitment and dedication that keeps everybody on their toes. In fact, the entire College Management understands the essential need of the region and therefore all decisions are made keeping the needs of Porbandar in mind.

40. Linkages developed with National / International, academic /research bodies:

The Knowledge Consortium of Gujarat, Gandhinagar collaborated with all the Grant-in-Aid Colleges of the District, including our College and organized a "Research Workshop" on "How to prepare a Minor Research Project" this year. All the teaching staff members participated in this workshop from 14th to 16th February, 2012.

41. Any other relevant information:

The Institute has been sincerely executing all the programmes of the Commissioner of Higher Education, chief among them being the *Saptadhara* initiative. The following table given a view of the activities of the various Study-Circles and the *Saptadhara* initiative executed during the year 2011-12:

Part C: Detail the plans of the institution for the next year.

As a lead college of the district the institution is prepared to undertake new academic programmes to face of the needs of the present and challenges of the future. For the next academic year we chalked out a series of programmes to strengthen the curricular and research activities of the college.

- To introduce **Translation-Proficiency** and **Food& Nutrition** Career Oriented Programmes from the next academic year.
- To offer the **Basic English** module to all the first-year students.
- To incorporate ICT methodology in the teaching plan of every subject teacher.
- To continue the short term courses like Personality Development and Positive Thinking, Basic Computers, Environmental studies, Human rights education for the benefit of the students.
- To continue publication of research journal "KHOJ", the newsletter *Jyotirgamaya* and the campus magazine *Sangath*.
